

The Gromble's Guide to the Gruesome: TAKE CARE WHEN YOU SCARE

Don't get caught in a cloud of flowery fumes. Perfume packs a pretty punch.

Beware of the beautiful bobbing of the lava lamp. Don't look at it too long or it will turn you from creepy to cuddly.

Don't let a flash foul your plans.
We don't want humans to know
we are real...do we?

Uh oh! Well...at least they got my bad side!

The most dangerous household object is this vicious varmint: the vacuum cleaner. It makes mincemeat out of monsters.

I clean and clean,
but it *still* smells
bad around here!

Yummmm!
Dust mites!

Remain alert, my studious squirm-masters, and
someday, you'll be superdeluxe scream machines!
